The Offering

An income-generating, multi-tenant commercial site anchored by a strong-performing gas station. Sitting on a full acre, the 14,000 square foot building is home to a well-established fuel and retail operation with four MPDs. The station consistently produces **\$89,000 in monthly inside sales** and dispenses approximately **108,000 gallons of fuel per month**, making it a reliable cash-flowing asset.

What sets this opportunity apart is the **absence of a fuel contract**. This gives the buyer full autonomy to negotiate fuel supply terms, select branding, and optimize margins—whether through branded fuel partnerships or independent sourcing. This flexibility is increasingly rare and highly valuable in today’s market, allowing operators to tailor the fuel program to their business strategy and local demand.

Beyond the fuel and convenience store income, the property’s fully occupied rental portfolio generates an additional \$9,500 per month, adding significant passive income.
