## PROPERTY OVERVIEW

Marcus & Millichap is pleased to present North Freeway Retail Center, a rare opportunity to acquire a newly constructed 7,500-square-foot retail building positioned along one of Houston's highest-trafficked commercial corridors at the signalized intersection of Interstate 45 and FM 1960. Unlike most retail acquisitions burdened by existing leases, outdated improvements, or functional obsolescence, the property is delivered in shell condition, allowing ownership to design the optimal tenant mix and maximize long-term value from day one.

The building was intentionally designed with exceptional leasing flexibility, including the ability to accommodate multiple suite configurations, a single-user conversion, or an end-cap drive-thru tenant. Combined with modern construction, outstanding freeway visibility, abundant parking, and exposure to more than 263,000 vehicles per day, the property offers investors and owner-users a highly adaptable platform capable of serving today's strongest retail, restaurant, medical, and service-oriented users.

# INVESTMENT OVERVIEW

## NEWER CONSTRUCTION WITH MODERN DESIGN

Completed in 2021, the building offers contemporary architecture, efficient construction, and significantly lower capital expenditure requirements than older retail assets, providing a clean platform for long-term ownership.

## MULTIPLE LEASING CONFIGURATIONS

Designed to accommodate a single user, multiple tenants, or phased lease-up, the flexible floor plan can be demised into various suite sizes to meet evolving tenant demand and maximize leasing velocity.

## DRIVE-THRU OPTIONALITY

The end-cap is designed to accommodate a drive-thru lane, expanding the universe of prospective tenants to include quick-service restaurants, coffee concepts, medical users, pharmacies, and other convenience-oriented retailers.

## EXCEPTIONAL FREEWAY VISIBILITY

Located directly along Interstate 45 with approximately 263,531 vehicles per day, the property benefits from outstanding visibility, easy accessibility, and prominent frontage within one of North Houston's busiest commercial corridors.

## DIVERSE EMPLOYMENT & CONSUMER BASE

The surrounding trade area is supported by more than 301,000 residents within five miles and major employers spanning healthcare, aviation, energy, technology, logistics, and education, creating durable demand for neighborhood retail and service uses.

## MULTIPLE EXIT STRATEGIES

The property appeals to investors seeking lease-up value creation, owner-users desiring a premier location, or developers looking for a modern retail building with minimal additional site work required.

## BELOW REPLACEMENT COST BASIS

Acquire a newly constructed retail building below today's replacement cost with the opportunity to create additional value through lease-up and stabilization.

# PROPERTY OVERVIEW

## PROPERTY DESCRIPTION

Completed in 2021, the property consists of a modern 7,500-square-foot retail building situated on approximately 0.71 acres. Delivered in shell condition, the asset eliminates the cost and limitations associated with renovating older retail product while providing the flexibility to customize buildouts for virtually any tenant requirement.

The efficient building design allows ownership to pursue multiple leasing strategies, including a single-tenant user, a multi-tenant neighborhood center, or phased lease-up as market opportunities arise. The proposed floor plan accommodates up to four suites, while the end-cap offers optional drive-thru capability—an increasingly valuable feature for restaurants, coffee concepts, medical providers, pharmacies, financial institutions, and other convenience-driven retailers. With modern construction, attractive architecture, and competitive replacement cost relative to developing a new project, the property provides a unique opportunity to create value through lease-up and stabilization.

## LOCATION DESCRIPTION

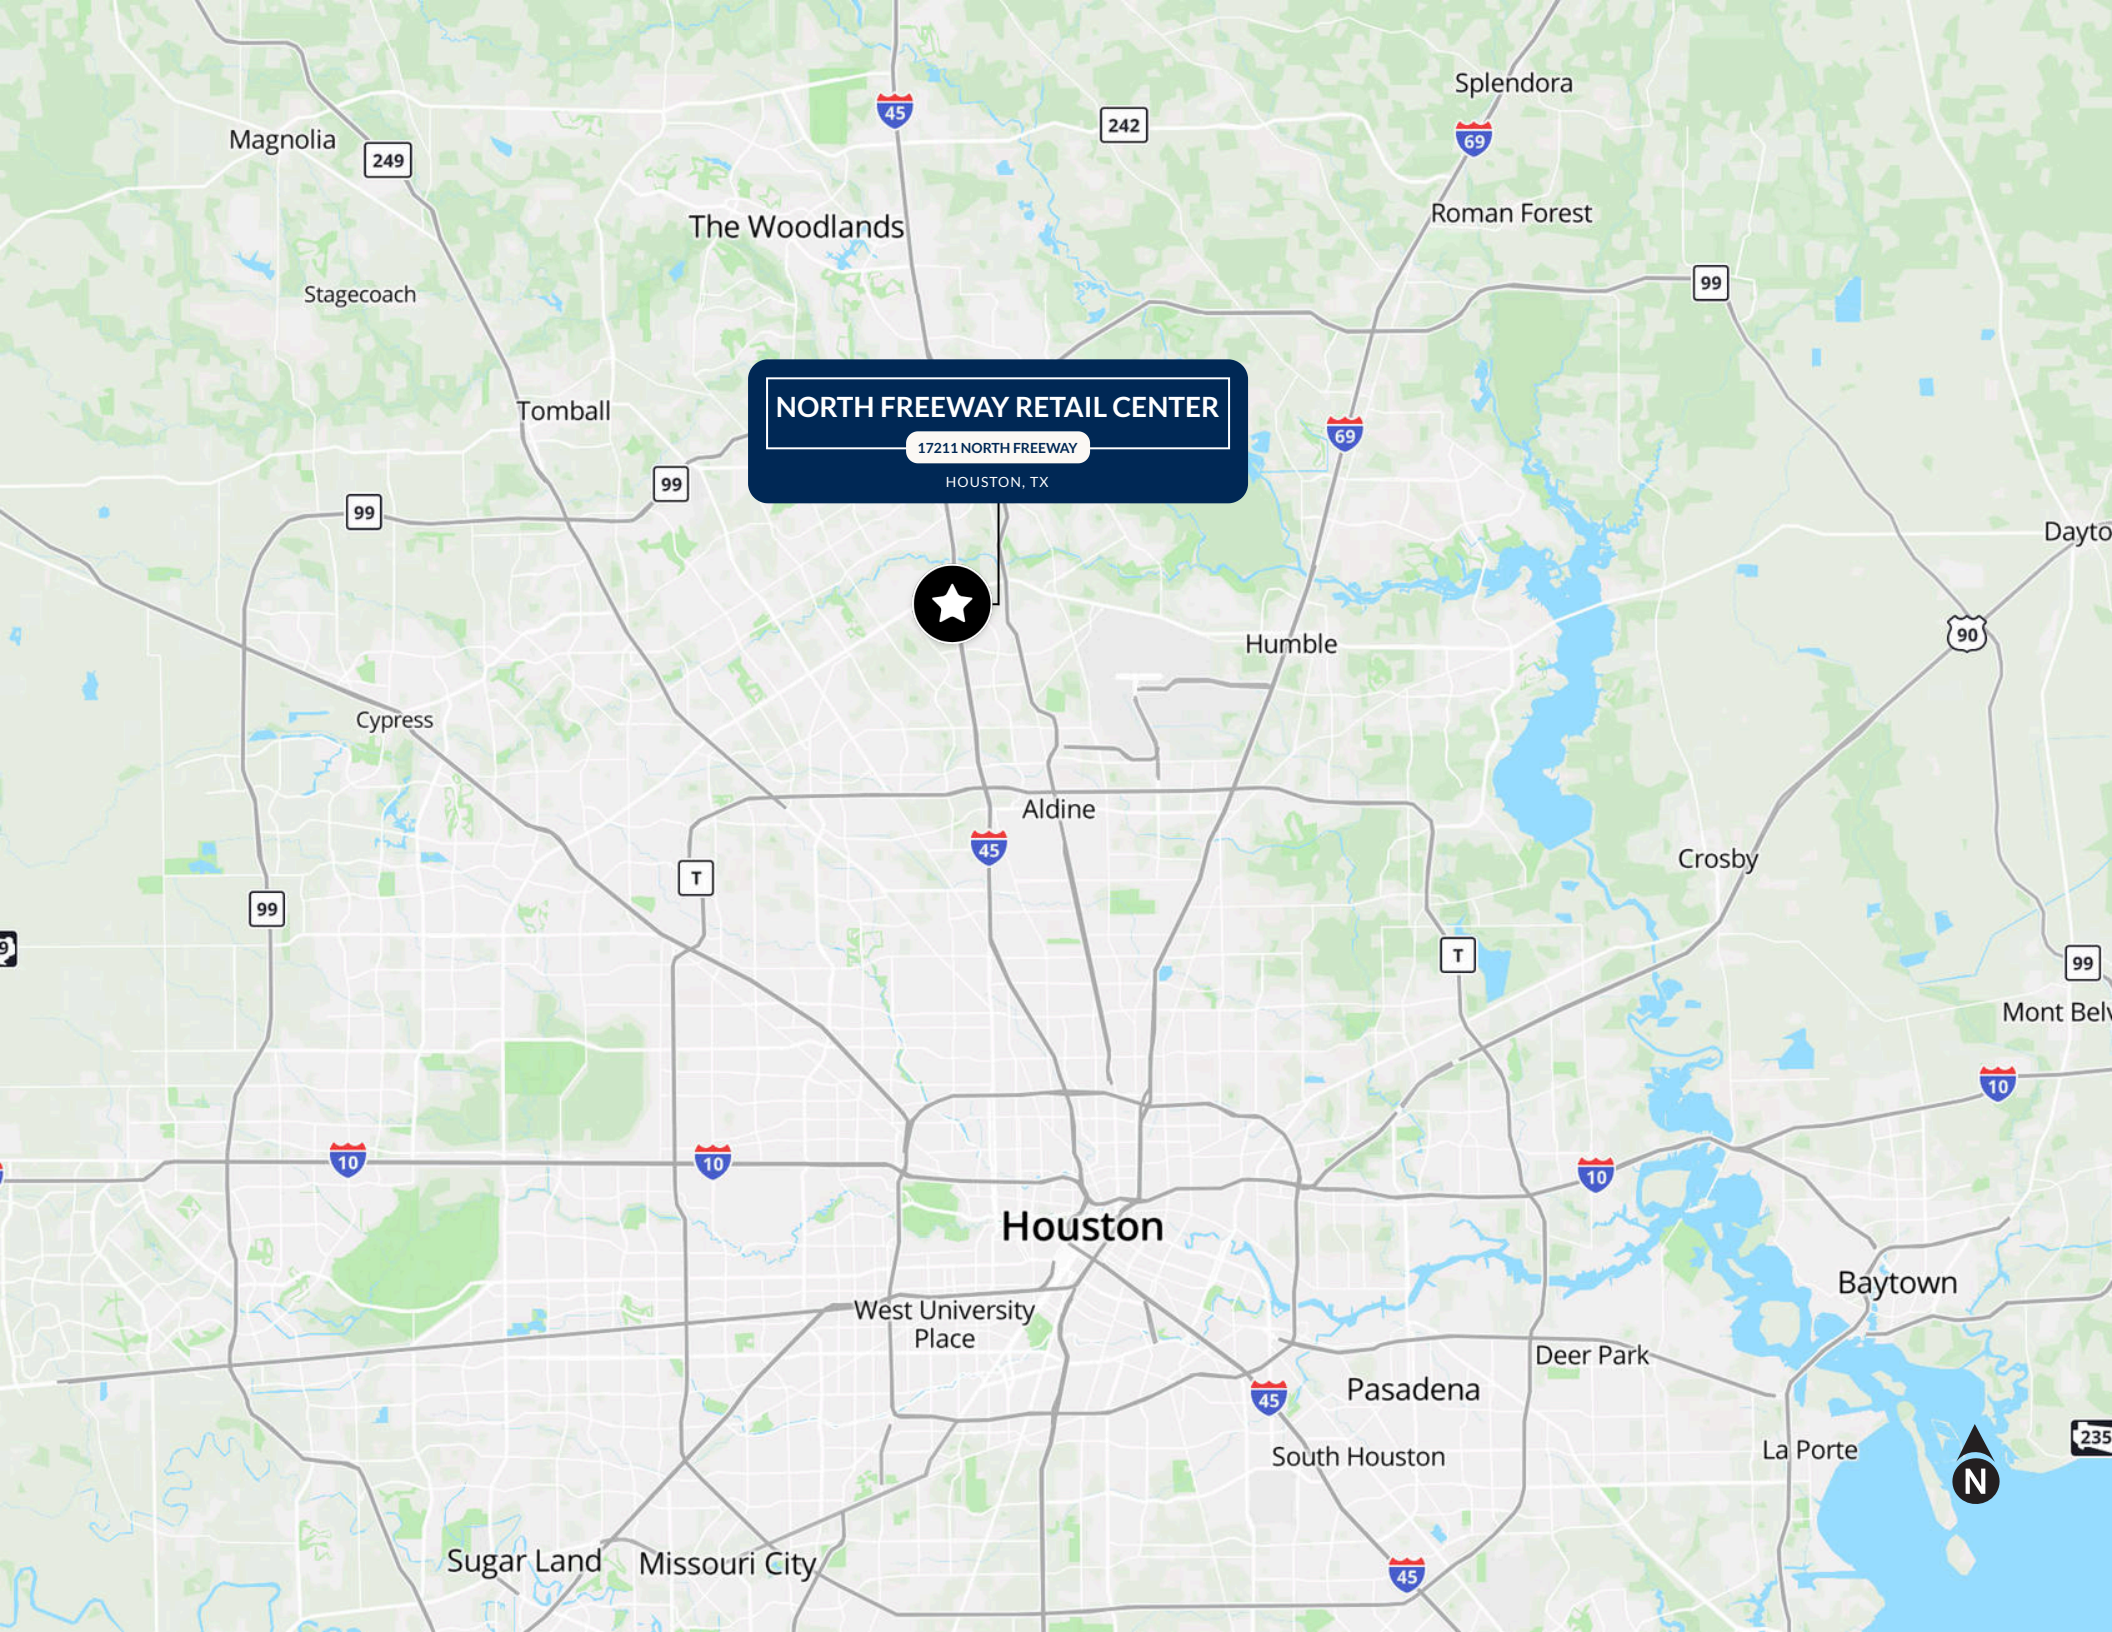

The property occupies an exceptional retail location at the signalized intersection of Interstate 45 and FM 1960, one of North Houston's most heavily traveled commercial corridors. Fronting the I-45 frontage road with exposure to approximately 263,531 vehicles per day, the site benefits from outstanding visibility, multiple points of access, and continuous consumer traffic generated by commuters, nearby neighborhoods, major employers, and regional retail destinations.

The surrounding trade area is anchored by a diverse concentration of retail, healthcare, automotive, hospitality, industrial, and employment uses that generate consistent daytime traffic and support year-round consumer demand. More than 301,000 residents live within five miles of the property, while major employers including George Bush Intercontinental Airport, ExxonMobil, HP Enterprise, Amazon, Halliburton, HCA Houston Healthcare, and Lone Star College provide a substantial daytime employment base. The combination of exceptional visibility, strong demographics, flexible building design, and modern construction creates an ideal environment for retailers seeking prominent frontage and convenient customer access.

## Information About Brokerage Services

11-03-2025

*Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.*

### TYPES OF REAL ESTATE LICENSE HOLDERS:

● **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.

● **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

**A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):**

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

**WRITTEN AGREEMENTS ARE REQUIRED IN CERTAIN SITUATIONS:** A license holder who performs brokerage activity for a prospective buyer of residential property must enter into a written agreement with the buyer before showing any residential property to the buyer or if no residential property will be shown, before presenting an offer on behalf of the buyer. This written agreement must contain specific information required by Texas law. For more information on these requirements, see section 1101.563 of the Texas Occupations Code. **Even if a written agreement is not required, to avoid disputes, all agreements between you and a broker should be in writing and clearly establish: (i) the broker's duties and responsibilities to you and your obligations under the agreement; and (ii) the amount or rate of compensation the broker will receive and how this amount is determined.**

### A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

**AS AGENT FOR OWNER (SELLER/LANDLORD):** The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent. **An owner's agent fees are not set by law and are fully negotiable.**

**AS AGENT FOR BUYER/TENANT:** The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information

about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent. **A buyer/tenant's agent fees are not set by law and are fully negotiable.**

**AS AGENT FOR BOTH - INTERMEDIARY:** To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
  - that the owner will accept a price less than the written asking price;
  - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
  - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

### A LICENSE HOLDER CAN SHOW PROPERTY TO A BUYER/TENANT WITHOUT REPRESENTING THE BUYER/TENANT IF:

- The broker has not agreed with the buyer/tenant, either orally or in writing, to represent the buyer/tenant;
- The broker is not otherwise acting as the buyer/tenant's agent at the time of showing the property;
- The broker does not provide the buyer/tenant options or advise regarding the property or real estate transactions generally; and
- The broker does not perform any other act of real estate brokerage for the buyer/tenant.
