Marketing Description

This second gen opportunity is situated on approximately 1.05 acres with a 7,695sf building and an additional 912sf of patio seating. Come tour the open kitchen kitchen concept that looks incredible but also adds a bit of flair to the dining experience. With the Michelin Star Rating System coming to Texas in 2024 this restaurant has the potential as a candidate with its latest equipment and tasteful decoration. The site offers plentiful parking as well as 122ft of Frontage on the busy Westheimer Rd. Restaurant was redesigned in 2023 with ADA compliance, all ventilation, fire suppression, and plumbing up to current city code. All licenses/permitting is still active and can transfer with the sale.

- Maximum Capacity for building is 292 people.
- 7,695SF + 912 SF of Covered Patio Space
- 1.049ac (1.049ac)
- 80 parking spots (could utilize more space with valet service as cars could be oriented differently)
- All permits are currently active & valid.
- +/- 200 seating capacity.
- The only leased equipment known at this time is the dishwasher, oil pumps/filter system, POS systems, and the CO2 system (previously had a contract with Pepsi so lines are in place for multiple fountains) These leases should be transferable if property is closed in a timely manner.
