Investment Positioning

This is a land / development opportunity rather than a stabilized income-producing acquisition. The public listing does not provide an in-place rent roll, NOI, cap rate or occupancy metric. Underwriting should therefore focus on development feasibility, allowable use, access, detention, parking, utility capacity, construction economics and achievable market rents or owner-user value.

Development Highlights

- ±1.50 acres (65,443 SF) of commercial development land.
- Unrestricted Reserve "A" with flexible commercial use, subject to development restrictions.
- Excellent visibility and access, according to the current listing.
- All utilities available.
- Located within an established office park with protective restrictions.
- Minutes from Interstate 10 and Grand Parkway (SH-99).
- Surrounded by established office, medical and professional users.
- Strong daytime population and long-term growth positioning are highlighted by the listing broker.

Potential Uses Identified in the Listing

Development Due-Diligence Priorities

Restrictions & Use	Obtain and review the recorded Reserve A restrictions, office-park restrictions, deed restrictions and any applicable architectural controls.
Site Plan	Confirm buildable envelope after setbacks, parking, fire-lane requirements, detention and landscaping.
Utilities	Verify utility providers, capacities, connection points, impact fees and any required off-site improvements.
Access	Confirm legal access, driveway / curb-cut approvals and circulation.
Drainage	Review detention requirements, floodplain considerations and drainage impact.
Survey & Title	Obtain current survey, title commitment and review Schedule B exceptions.

Location & Access

The site is positioned in the Katy / West Houston market, an established suburban employment and commercial corridor. The current Crexi listing emphasizes proximity to Interstate 10 and Grand Parkway (SH-99), along with an office-park setting and nearby medical and professional users.

REGIONAL CORRIDORS	Interstate 10 (Katy Freeway) and SH-99 (Grand Parkway)
SETTING	Established office park
SURROUNDING USES	Office, medical and professional users
ACCESS / VISIBILITY	Advertised as excellent visibility and access
