Public Record / Historical Context

Public-record sources identify the parcel as Harris County APN 1189640010002 and describe the property as an office building. One source reports 25,587 SF of land and a 6,160 SF gross building area, while other commercial listing sources report approximately 6,050 SF and 0.46–0.58 acres. Because these figures differ from the current Crexi listing, this OM uses the current Crexi figures for marketing purposes and flags public-record differences for due diligence.

4. Location & Marketing Summary

The property is positioned on Cypresswood Drive in the Champion Forest / FM 1960 area of Spring. Current marketing describes excellent visibility and access and notes the property is across from Kroger / Forestwood Shopping Center. A recent Henry S. Miller social post describes 8303 Cypresswood as a ±6,050 SF freestanding office/medical building with frontage on Cypresswood Drive, adjacent to a Kroger-anchored shopping center, near a 190-unit senior independent living community, and approximately 20,776 vehicles per day on Cypresswood Drive.

5. Due Diligence Checklist

- Verify exact building and land area by survey and appraisal.
- Confirm zoning and permitted retail, office, medical and service uses.
- Verify parking count, access, signage and easements.
- Inspect roof, structure, HVAC, electrical, plumbing and life-safety systems.
- Obtain title, survey, legal description and current tax information.
- Review any existing leases, prior occupancy and operating history.
- Verify flood-zone and environmental status.
- Confirm asking price and seller's current offering terms directly with listing broker.

6. Sources & Disclaimer
